

12th Annual SI Arb Commercial Arbitration Symposium 2022

29th November 2022 • 11.30am - 6.00pm
The Arts House, Singapore

The first of three events marking SI Arb's 40th Anniversary is the return – after a hiatus caused by the pandemic – of our Commercial Arbitration Symposium.

Always popular, the Symposium provides a distinctive and interactive forum for participants to discuss current issues and developments in the field of commercial arbitration. The Symposium features no set speakers or speeches. The success of the Symposium is based on the free-flowing discussion of current issues, suggested by delegates. Delegates whose topics are chosen will be invited to introduce their questions or topics, which will then be followed by an open discussion under the moderation of the experienced co-chairs from Singapore and abroad.

Each delegate is therefore invited to contribute upon registering at least 2 questions or topics for discussion. There is no limit to the number of topics that each delegate may contribute, and additional questions may be emailed to secretariat@siarb.org.sg. The topics will be grouped into themes and allocated to one of the three working sessions, but the titles of the sessions are not prescriptive; participants are encouraged to present questions on any matter relevant to the practice of commercial arbitration.

We return again to the Old Parliament House, with the working sessions of the Symposium held in the atmospheric surroundings of the former parliamentary debating chamber. To maintain the efficiency of the format, there are limited places available, so please register your interest early to save a seat.
